🎓 Education

University of Jember, Jember

2021 — Present

Undergraduate Information Technology Student

Senior High School 3 Jember, Jember

2018 — 2021

Natural Science Major

★ Studi Independen Bersertifikat Program

Bangkit Academy 2024, Bandung

February 2024 — July 2024

As a Cloud Computing Cohort, I learned several things related to cloud technology that allowed me to understand more deeply about this field. At Bangkit Academy I took part in various learning programs such as servers, data storage, databases, networking, software and analytics, which can be used in cloud computing jobs.
